RE: BONEGILLA EXHIBITION, 'WHERE WATERS MEET'

Old Treasury Building (Spring Street, Melbourne) would like to make an expression of interest re the possibility of housing the exhibition on Dutch migration to Australia which acknowledges the fiftieth anniversary of the opening of the Bonegilla migration camp.

As a result of my initial meeting today with Marijke and Dirk, I am confident that the exhibition could be suitable to the temporary exhibition space, ground floor of Old Treasury Building for a period in April/May 1997.

Sincerely,

IANET SHELLEY
Curator - Old Treasury Building
